

ACKNOWLEDGEMENT

I am grateful to my guides, Prof. Manjunath NK and Prof. Ramesh MN for their encouragement and guidance.

I am grateful to Prof. Manjunath NK for his knowledge, and offering complete support and motivating me throughout the project. I am hugely indebted to Prof. Ramesh for being more than a Guide and to have trained me all the way from the basics of Molecular Biology. Their contribution in my development cannot be expressed by words.

I would like to express my profound gratitude to Dr H R Nagendra, Dr R Nagaratna, Dr. Naveen KV, Dr. Pailoor Subramanya, Dr. Raghavendra Bhat, Dr. Judu Ilavarasu, Dr. Rajesh SK, Dr. Rajesh HK, Dr. Suhas Vinchurkar, Dr. Sureshbabu, Mr. Satyaprakash, Mr. Basavaraj and all other colleagues from Anvesana for supporting me throughout.

I wish to thank Dr Raghu Raj Puthige for instilling the passion for research. I am thankful to my teachers Dr D Sathanath, Dr Sumi Jain, Prof. Suresh Babu and Dr Kavitha V.

I am thankful to the Dr Shashi Bala Singh, Director-LSRB, DRDO, Dr Lilly Ganju, and Dr Saha without whom this project would not have been possible. I am thankful to my fellow expeditioners Mr Mohit Nirwan, Dr Priyankar, Mr Vinit Lotliker, and Mr David for helping me during the expedition. I am thankful to Dr Shailendra Saini, Leader, 35th ISEA (Voyage) and Cdr. Dheeraj Nattuva, Deputy leader, 35th ISEA (Voyage).

I am grateful to all the expeditioners of the 35th Indian Scientific Expedition to Antarctica for offering wholehearted support in executing the project and making it successful.

I am indebted to my parents and wife for supporting me all the way and sacrificing their comforts to make me what I am today. I thank all the Yogis and the eternal all-pervasive Divine mother whose wishes and blessings that have made this possible.
